Child Welfare is About Geography

- Relevant location of community resources
- Efficient location of CPS services
- Efficient planning of case worker travel
- Marketing for resource parents
- Proximity of foster parents to home of removal
- Proximity of siblings placed in separate homes

Goal for Today

- Define and describe GIS
- Demonstrate GIS Software
- Describe a use of GIS by FosterClub
- Discuss GIS use in child welfare and other issues
- Encourage you to find ways to use GIS with NYTD and other child welfare data
